

Capital Campaign Success Series May - September 2023

If your organization is preparing for a capital campaign, this Series will provide the **guidance, tools and hands-on-learning** to reduce the stress of campaigns by getting your project set up for success!

The Capital Campaign Success Series is a combination of **individual campaign coaching** and **interactive group workshops**.

The Series includes:

- **Tailored individual campaign coaching** with Amanda White
- **Small group dynamic workshops featuring advice and interactive sessions** from over a dozen campaign, funder, and nonprofit leaders
- **Templates, tools and resources** needed to launch your campaign
- **Inspiration, confidence-building and fun!**

The entire Series is available for a **fraction of the cost** of traditional campaign consulting.

Space is limited - call Amanda today to learn more
